Duran Interiors is a family business based in the rural East part of the Netherlands, creating and designing tables, lighting pieces and cushions.

Founded in 1987 by Frank and Ellen Duran, this collection welcomes a new chapter as their son Maurits joins the design team.

This is a collection, where the styles of Frank, Ellen and Maurits effortlessly come together.

“Personal influences from contemporary sculpture, to desert landscapes, or the delicate form of a shell blend beautifully together to create each piece.”

- Maurits Duran

Introducing our latest collection, where warmth and elegance meet. Featuring a rich color palette of earth tones, the designs exude comfort and coziness. Soft, rounded shapes contribute to a sense of flow and harmony, while solid oak and durable top of the line materials ensure lasting quality. An ideal balance for creating inviting spaces that are both stylish and timeless.

design process

Duran's design process begins with a burst of ideas from which all pieces intuitively flow. Spontaneity is the key element of the process, as ideas are translated through concept, sketches, collaborations and renders. Personal influences from contemporary sculpture, to desert landscapes, or the delicate form of a shell blend beautifully together to create each piece.
